Thanks for this information. I was looking to see if there's been a Wildlife Summary Report (in pdf format) since the one provided on 120319.

Adam,

TPWD just told me they will go out today, but they know of 3 fish and a deer. They are going to see if this is actually the carcass that had been seen before.

Thank you.

Becky

Has there been any reports from wildlife since 120319?

I don't see any, but wanted to confirm.

Thanks

Adam
